

An aerial photograph of a modern building with a curved glass facade and a boat on the water. The building is on the right side of the image, and the boat is on the left. The water is a deep blue-green color. The building has a white, curved structure that frames the glass. The boat is small and has a red roof. The overall scene is a mix of natural and architectural elements.

La casa del successo ha delle regole che vanno consolidate prima di arrivare alla meta. Non c'è un tempo stabilito, chi è determinato prima o poi conclude qualcosa. Le regole sono: perseveranza, diligenza, disposizione al rischio, obiettivi, credi e tenaci. Nessuno arriva al successo senza scommettere su se stesso. C'è chi ha la fortuna di trovare le chiavi sul tavolo ma perde facilmente. C'è chi le chiavi le mette insieme una alla volta e, anche se le perderà, ne conserverà sempre in tasca una copia in base alla propria esperienza vissuta.
